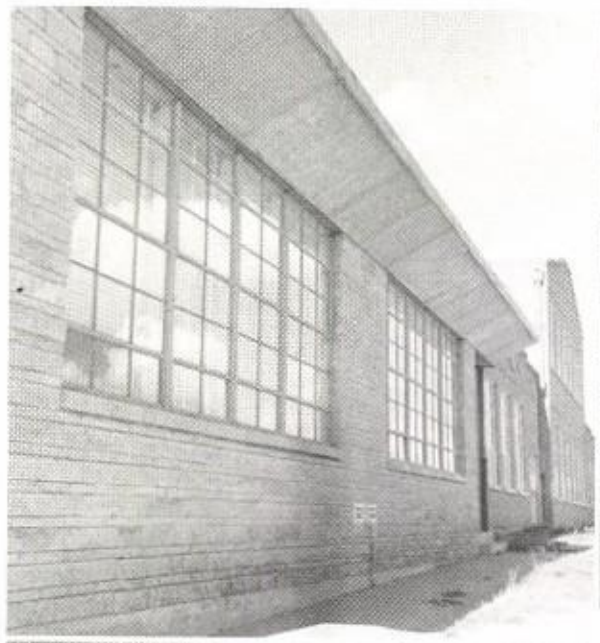
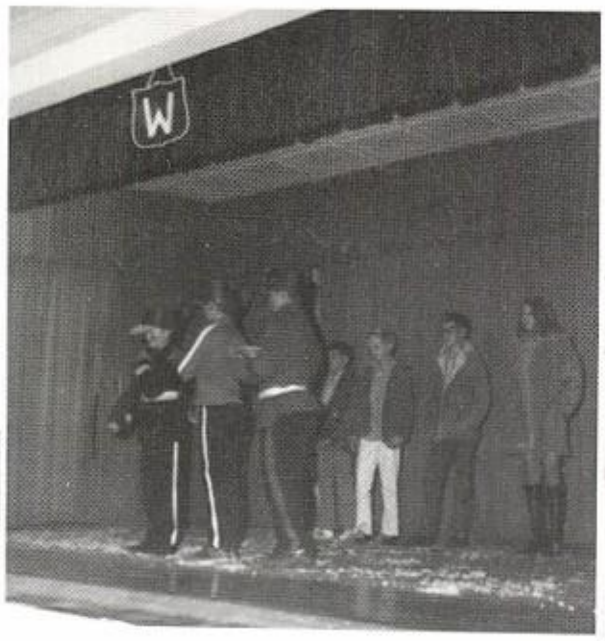
SENIOR CLASS

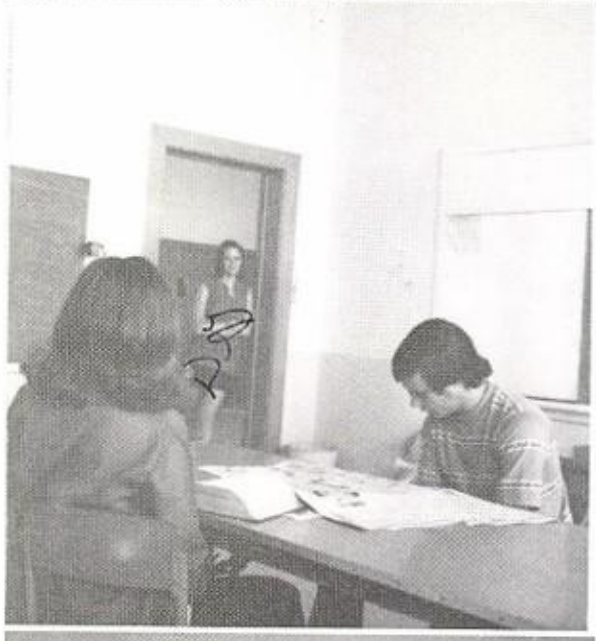
WOODSON HIGH SCHOOL
WOODSON, TEXAS

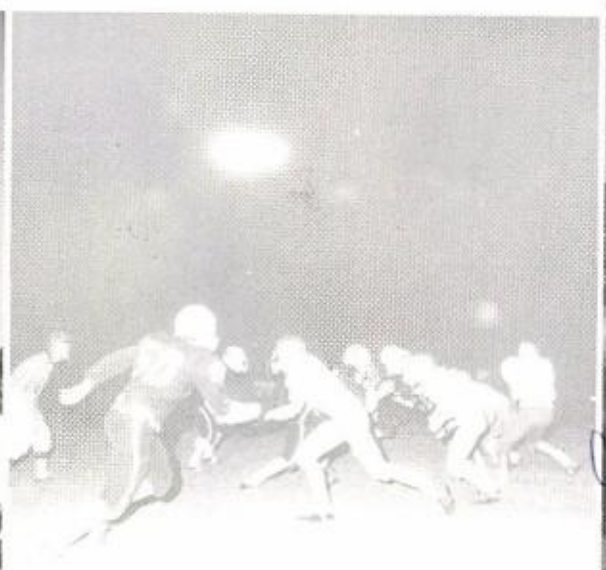


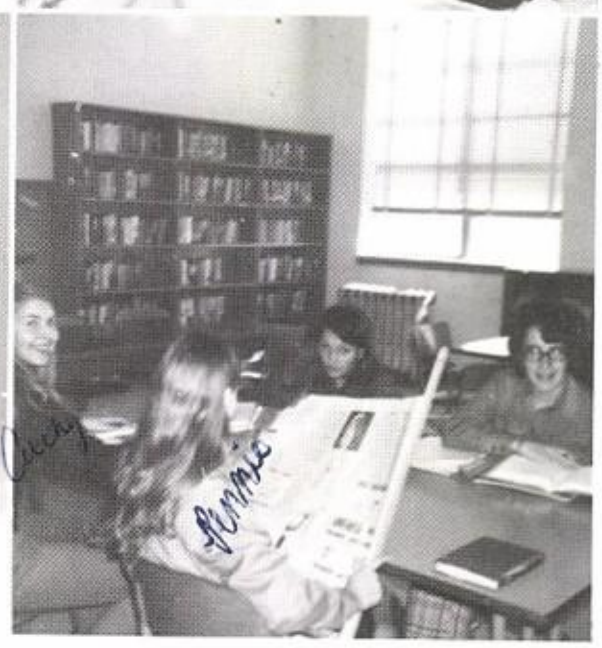


With this 1972 Cowboy Annual, we have tried to recapture some of the special events that have occurred this past year.

We hope that this annual will bring back special memories for everyone and will keep the Spirit for WHS alive.







Dedication

We, the Seniors of 1972, dedicate this Cowboy Annual to two of our teachers who have, through their dedicated efforts, inspired us to higher goals and have done much to increase our knowledge.

They have guided us through these past years and we are deeply grateful for their patience and understanding.

We proudly present this annual to Mrs. Wanda Timmons and Mrs. Ethel Ellis.

ADMINISTRATION

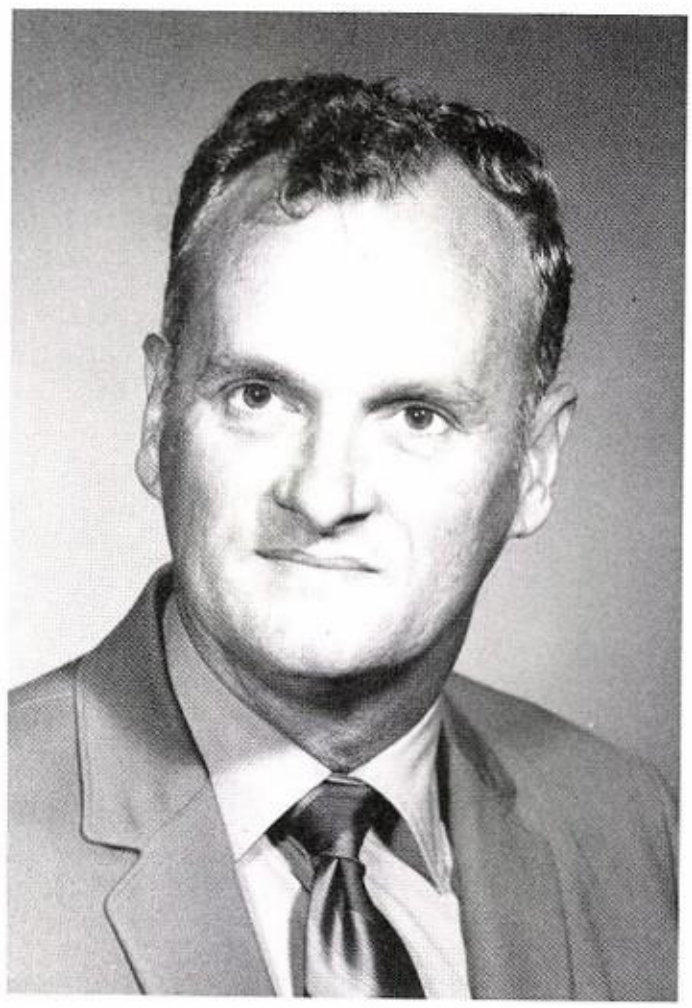
As you complete your days at WHS I am sure that you will recall many pleasant experiences and perhaps some moments of disappointment. This will probably be the pattern for the rest of your life. As you continue to mature and assume the more responsible positions in our country may your respect for honesty, work, and your fellow man offer more pleasure than disappointment.

MR. BOB JAMESON
M.E. - University of Texas
Superintendent

Kim -
May the second year be
as great as the first -
a year of first points
first first points
the next
as first -
let's make

I and a lot of other things
there really probably
the first - but -
most first!
Mr. White

MR. JIM WHITE
T.C.U. - B.A.
Mathematics
Principal



Many of you stand at a place in life where you look back on the remembered days in school and look out toward the anticipated future. I hope that your memories of WHS are pleasant memories; but, more than this, I hope you have prepared and will continue to prepare yourself for an important future. May your goal in life be as the goal of Aristotle in his hope that his life would make the world just a little bit better instead of making the world just a little bit worse. Desire better things and plan great plans and you can find happiness.

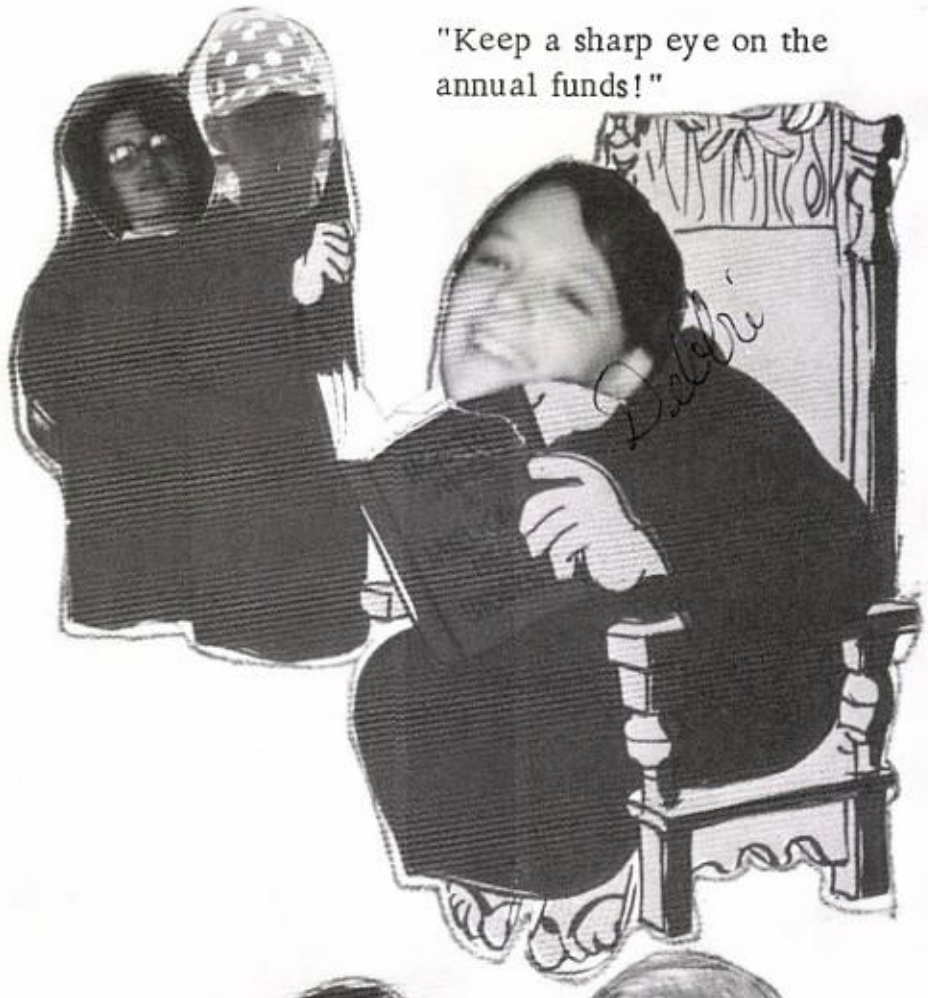
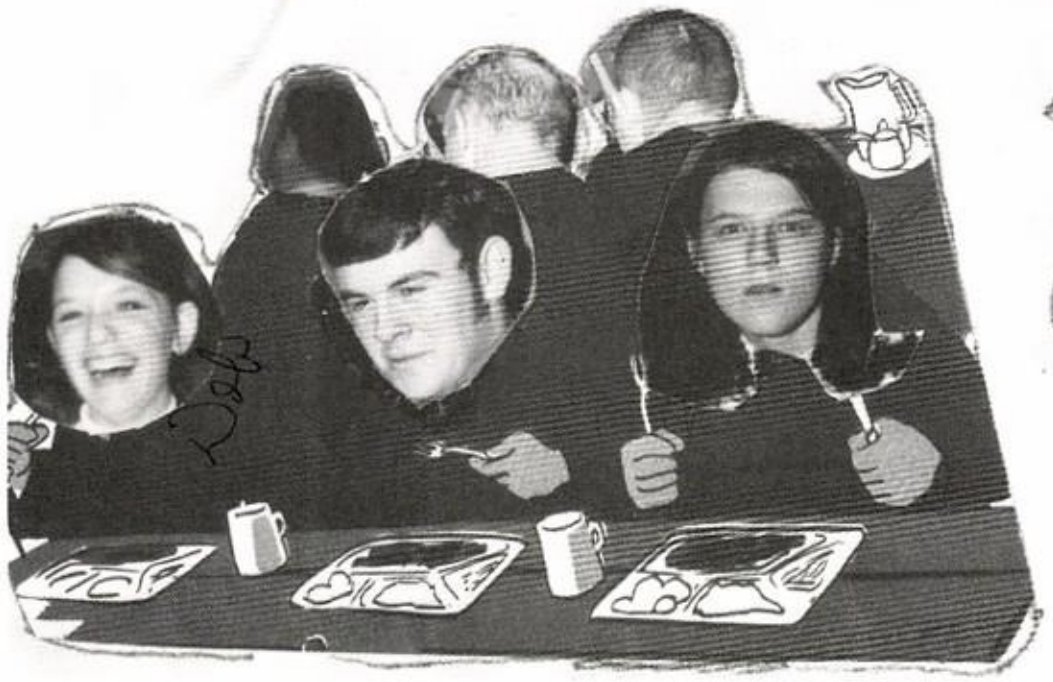
"Aw shucks, Mr. Smith you shouldn't have."



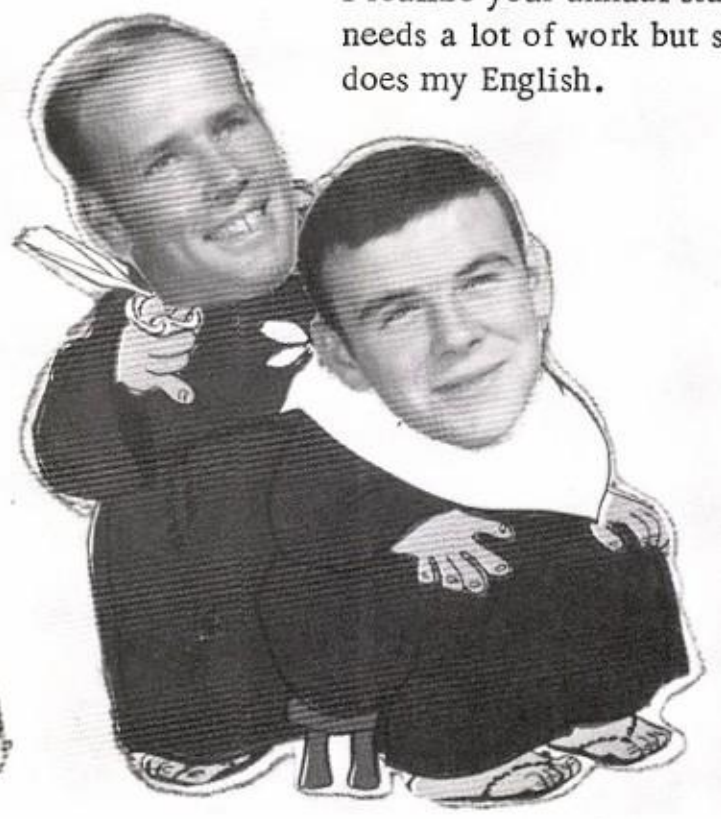
"Keep a sharp eye on the annual funds!"

"Shape up or ship out!"

I realize your annual staff needs a lot of work but so does my English.



I've heard of indigestion but "My Gosh!



Take it easy on the sidebu.

Frankly I could be just as humble without all this work!

"Meditating, my eye!!!"

Love,

Kirk:
I hope you don't break your toe again. And I hope you get back with Donna. If you don't there's a lot of other fish in the sea.

Elgie

I never no what to say after I have wrote one annual. I could write that I am nearly out but when I think about it I nearly cry. If I were to pick what school I would want to spend all my 12 years at W. H. S.

You have really
been a great fish.
That is because
I have never heard
you say more than
three words.

We have all had some really great times this year. Especially in our attempts to keep books and what charts at the basket-ball games. (Hee Hee)

I am finally becoming
exhausted after
12 long years of school,
but it was a really
great going to school,

may all your days be happy and filled with simple pleasures.

Sorry

Elgie

(Reserved for Irene.)

Kirk,
Well, buddy, this is about it. A few more days and I will be out of here. You've been a real good roommate. I've really enjoyed having you around. You've been a real pal - kid - but I don't think I'll miss a dozen of those all night sessions of yours when I hear a knock on the door and a voice says "Police, open up!" Well, I guess you'll go real far in whatever you do. Good luck with your last 3 years and a degree. Yours truly,

Kid

Kirk

Yrive got to just 3 years to go so you better make it the best. Yrive are a great kid to have around. Yrive been a great freshman you had no complaints but took all the irritating pleasantly. Lots of luck to a great guy with a great personality.

Ron Adler
